

COMBINED DECLARATION, POWER OF ATTORNEY AND PETITION

I, the inventor,

Name: Alwarappa SIVARAMAN
Residence: Sugarland, Texas
Post Office Address: 5210 Meadowlanding Lane
Sugarland, Texas 77479
Citizenship: United States of America

declare that I have reviewed and understand the contents of the attached specification and claims and I verily believe that I am the original, first and sole inventor or discoverer of the invention or discovery in

PROCESS TO SEQUESTER CO₂ IN NATURAL GAS HYDRATE FIELDS AND SIMULTANEOUSLY RECOVER METHANE

described and claimed in the attached specification; that this application in part discloses and claims subject matter disclosed in my earlier filed pending application, Serial No. 10/728,332, filed 04 December 2003; that as to the subject matter of this application which is common to said earlier application, I do not know and do not believe that the same was ever known or used in the United States before my invention or discovery thereof; that to the best of my knowledge and belief the invention of said common subject matter has not been in public use or on sale in the United States more than one year prior to said earlier application or patented or described in any printed publication in any country before my invention thereof or more than one year prior to said earlier application, or patented or made the subject of an inventor's certificate in any foreign country prior to the date of said earlier application on an application filed by myself or my legal representatives or assigns more than twelve months prior to said earlier application in this country; and that no application for patent or inventor's certificate on the invention or discovery of said common subject matter has been filed by me or my legal representatives or assigns in any country foreign to the United States, except as follows:

None

that as to the subject matter of this application which is not common to said earlier application, I do not know and do not believe that the same was ever known or used in the United States before my invention or discovery thereof; that to the best of my knowledge and belief the invention thereof has not been in public use or on sale in the United States more than one year prior to this application or patented or described in any printed publication in any country before my invention thereof or more than one year prior to this application, or patented or made the subject of an inventor's certificate in any foreign country prior to the date of this application on an application filed by myself or my legal representatives or

**COMBINED DECLARATION, POWER
OF ATTORNEY AND PETITION**

assigns more than twelve months prior to this application in this country; that I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application in accordance with 37 C.F.R. 1.56(a); and that no application for patent or inventor's certificate on this invention or discovery has been filed by me or my legal representatives or assigns in any country foreign to the United States, except as follows:

None

POWER OF ATTORNEY
